2026 to 2027

School Uniform and Property

The Riverside school uniform has been designed to match Woodside's formal, mainly black uniform, with plenty of flexibility in style to suit each student's individual needs and choices.

In its simplest form, students and parents can choose any style of white shirt and any style of black trousers or skirt that suits the student, practically and in looks. We do encourage parents to buy one or more Riverside school badges, which can be sewn on to clothing.

What to wear

Shirts

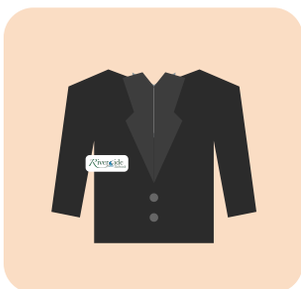
Any plain white shirt (t-shirt, polo or collared shirt).

Trousers or skirt

Plain black, any style (including jogging bottoms).

Jumpers

Black v-neck or round neck pullover or sweatshirt.



Blazer (optional)

Black, with the school badge.

Shoes

Black shoes.

PE kit

Black tracksuit bottoms, a white polo shirt or t-shirt, and trainers. A letter goes home in September asking parents to send their child to school dressed in PE kit on the right day.

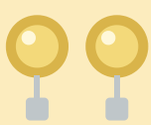
Accessories and property

Badges

Badges for blazers and jumpers can be bought from the school office.

Hats and outdoor coats

Any style is fine, but students may not wear hats or outdoor coats in lessons.



Jewellery

For safety reasons, students may only wear stud earrings at school. No other types are allowed.

School bag

A rucksack or drawstring bag with the school logo can be bought from the school office.

Not sure about an item? If it isn't listed here, please check with the school before buying it or letting your child wear it.

Please label everything. All property should be clearly marked with the student's name.

Communication devices

Only independent travellers may bring communication devices (mobile phones, iPads and so on) to school, because they may need to contact their parents or the school on the way.

These students must hand in their devices for safe keeping until the end of the school day, either to the class teacher or to the school office, depending on their individual arrangement. This rule also applies to students attending Team Spirit after-school or holiday clubs.

Students found with a device in school when it should have been handed in will have it confiscated, and a parent will be asked to come in to school to collect it.
