JULY 2026

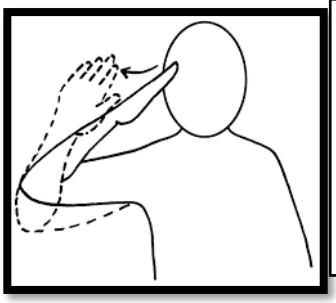
### Message from the Headteacher

As we come to the close of another busy and rewarding year at Riverside, it is a wonderful opportunity to reflect on all that has been achieved. Throughout the year, students have shown resilience, enthusiasm and continued growth in both their learning and personal development. We are especially proud of those leaving us this Summer as they prepare for the next stage of their journey. Our Leavers' Assembly and end-of-year celebrations will give us the chance to recognise everyone's achievements and celebrate the many successes and special moments that have made this year so memorable. Thank you for your continued support. Mr. Hehir, Headteacher

- **Academic term dates 26/27** - Please see term dates for 2026/2027 on our school website: https://www.riverside.haringey.sch.uk/docs/School_Term_and_Holidays_dates_for_2026-27_Academic_Year.pdf

**Highlights** - We have had an exciting end to June, with students from CKSG Slovenia visiting Riverside School for a special exchange visit. Our students also enjoyed a trip into Central London, visiting the Tower of London, Shakespeare's theatre and Westminster with the Slovenian group. Some students successfully completed the Duke of Edinburgh Award experience. Students and staff members are now preparing for the Transition and planning is underway for the new year.

### Makaton Sign of the Month



Action: Touch forehead with side of extended palm, then open palm towards partner

Sign meaning:

**'Holiday'**

**Remember**: always sign and say together. Go slow and show the gesture.

**Usage tip:** You can use the sign for 'holiday' to support your child's communication during the Summer break and when talking about time away from school. Model the sign when discussing going away, visiting family, or taking a break from school routines. Use it when looking at photos, talking about plans, or packing for trips.

### Additional information

- **Screen time Guidance:** Screentime can negatively affect children's health, wellbeing, behaviour, and development. This can include problems with sleep, language development, concentration, mood, learning, and potential exposure to harmful online content, including the risk of radicalisation. Here are some good tips for healthy behaviour: Haringey Screentime Guidance for Parents and Carers

- **Riverside School Transition Support:** We offer support for all students who do not yet have a confirmed Post-16 or Post-19 placement. Please contact us at careers@riverside.haringey.sch.uk and we will work with you to support your child in securing an appropriate placement. Please note that we will be out of office over the Summer holiday period, but will resume support again in the Autumn term.

- **Importance of Attendance:** A message from LA Haringey EWO - Regular school attendance is essential for every child's learning and progress. Parents wishing to request a leave of absence during term time must apply at least 3 weeks in advance, and approval is at the discretion of the Headteacher. If leave is not approved—or no application is made in advance—any absence will be recorded as unauthorised, and families may be issued with a Fixed Penalty Notice. The Department for Education discourages term-time holidays and monitors school attendance.

- **Absence reporting:** There are now two ways to report your child's absence and provide proof of appointments in advance where applicable. Phone: Call the number 020 8889 7814 and select Option 1. Email: Send an email to absences@riverside.haringey.sch.uk

Students completed a few Employer visits over the year and were able to join in with activities provided for them in the Local Community. One of such visits was the recent one to the Record Shop in Wood Green.

On Thursday 4/6/26, we went to a Record Work Shop and it had some instruments. I had a great time with my friends. During the trip I asked other students about how they felt about the visit.

Student Y.A. said they liked the pool table and enjoyed being on the microphone. Student A.A. said he liked the drums. Student A.R. said that she loved being on the microphone too. It really seems that all students that went had a really nice time. Student editor: G.M.

I really enjoyed the school trip to Slovenia. This is actually the third time I have been there but I still struggle to remember some words in the language. Luckily Ziva was with us and she could translate for us! The weather was sunny most of the time but it did rain a bit.

We left on a Tuesday and came back on Monday and that is nearly a week. It is a long time to be away from school but all the students and staff behaved well!

We stayed at the top of a school building and we did activities with the students most days.

We were in Piran and Pula and we went swimming. We also went on boat trip and saw dolphins. Plus, we had ice creams!
We visited Croatia for 1 day, this is another country but Slovenia is my favourite. Student editor: B.D.

As we move through the Summer term, I would like to take a moment to recognise the continued positive progress being made across the school. It has been wonderful to see students engaging so well in their learning and developing confidence in their skills and independence. Our ongoing focus remains on strengthening high-quality teaching and learning, while continuing to support students through our approach of understanding behaviour as communication. We are also busy preparing for new admissions for September 2026 and planning transition events for students in Year 11 and Year 14 who will be leaving Riverside this year. Most of our students will be moving on to Haringey Sixth Form Centre and Barnet and Southgate College, and we are working closely with families and partners to ensure that every transition is positive, well supported and successful. Thank you also to all parents who attended meetings with our Headteacher. Mr. Hehir

We hope everyone had a lovely holiday break and enjoyed some rest. Recently, Ofsted visited the school and some of us had the opportunity to speak with them about our experiences. This was exciting and a great chance to share our views and what we like about the school.

This is also exams season and they are also going well, with many students working hard and preparing for the next round of assessments. We are proud of the effort everyone is putting in and wish all students the very best with the rest of their exams.

Groups of students are also visiting local employers – Railways, Brand Design, Building companies and even a Record shop, while another group is looking forward to travelling to Slovenia soon.

APRIL 2026

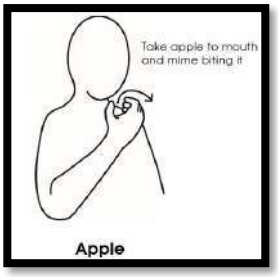
### Message from the Headteacher

As we move through the Summer term, I wanted to take a moment to recognise the continued positive start our students have made. It has been a pleasure to see such strong attendance, focus on learning, and engagement in lessons across the school. Our students continue to demonstrate resilience, curiosity and a commitment to *learning to live life to the full*—something we are incredibly proud of. Thank you to all parents and carers who completed our survey during Parents' Evening in March. Your feedback is extremely valuable and helps shape our ongoing improvement work. From the responses received, three key strengths and priorities have emerged:

Key Strengths: Children are happy and feel safe in school, Strong quality of support and learning for pupils, Positive behaviour culture with consistent support. Areas for Development: Improve communication systems and Strengthen responses to concerns – ensuring all parents feel heard and informed. Mr. Hehir

**Highlights** - Many students have won Jack Petchey Awards and celebrated their achievements in a special assembly at Riverside. Students from Team 1 are attending a concert experience, while students across all teams are continuing to complete ASDAN accreditations, with portfolios being prepared for submission. Students are also enjoying visits within the local community, building independence skills and developing their Preparation for Adulthood outcomes. In addition, families are engaging in the Autism (Cygnet) 6-week parent training programme.

### Makaton Sign of the Month



Action: Take 'apple' to mouth and mime biting it

This links the sign with healthy eating and supports the Keeping Fit at Home focus for families.

### Additional information

- **Attendance and Engagement:** We have seen encouraging improvements in attendance this term, alongside high levels of engagement in lessons. Regular attendance is essential, particularly for our young people, as it supports consistency, progress towards EHCP outcomes, and social development. As members of the School Student Council we represent the issues and concerns of students at Riverside School. We meet every term and any student can speak to us about anything they want us to speak about. The Careers Fair was held at the school on Friday March 6th. There were some providers there and they were able to tell us about what is on offer to Riverside students when they leave school.

Some of us are getting excited as we are going on the school trip to Slovenia in May. It is a one-week trip and I have never been there before so there will be a lot of things to see and do.

We are starting our exams in Team 1 next week with our Speaking and Listening exam. In the Summer Term we do our Maths exams plus our English Reading and Writing. Student editor: D.N.

March has been a busy and positive month of learning at Riverside School. It has been wonderful to see students taking part in a range of activities across the school. Earlier this month we held a Careers Fair, where students had the opportunity to meet different providers and learn more about future pathways available to them. We also celebrated World Book Day, with students and staff dressing up as characters from their favourite books, which brought a great sense of fun and creativity to the school day. I have also had the pleasure of meeting with several parents and carers and look forward to continuing these conversations in the coming months. Our next Parents' Evening will take place on the 18th of March and all families and carers are warmly welcome to attend from 4pm to 6pm. There is also the **parents/carers survey** which we encourage all parents/carers to complete by next week - **Click here to complete** .Finally, some of our students will soon be starting their exams and we wish them the very best of luck as they begin this important time. Mr. Hehir

Students in Team 1 and Team 4 attended the LSO relaxed Classical music concert at St. Luke's, Old Street and really enjoyed it. Our trip to the theatre to see Hercules was exciting and memorable. The story followed Hercules on his journey to discover who he really was and the actors brought the characters to life with their powerful voices and expressive movements. The costumes and stage effects made Mount Olympus and the Underworld look magical and dramatic.

As part of our work experience, we went to Marylebone train station where we saw the new train and other interesting things. The new train looked modern and clean, and it was exciting to see it up close. There were lots of people at the station, and trains were arriving and leaving regularly. We also learned about how the station works and how passengers travel safely. Overall, the visit was enjoyable and helped us learn more about trains and transport. Student editor: A.M.

We are happy to have a new Headteacher Stephen Hehir. This is a new era for Riverside School. I hope he makes an impression as I feel very excited to work with him on new ideas and plans for the school. I am sure that he will be very busy.

We started the new term with very cold weather and even in this bad weather, Mr Hehir has come outside to greet students in the morning.

He has already told us that he is a West Ham supporter but unfortunately for Mr Hehir, there are a lot of Arsenal supporters in the school!!! Student editor: A.M.

## News

As you may already know we are saying goodbye to our Headteacher Martin Doyle at the end of the term. We wish him all the best in his retirement! Stephen Hehir will be our new Headteacher - joining us in January 2026.

The Christmas Fair is an opportunity for parents and carers to see what students have made for the fair and also get to socialise with their children in a school environment. The event was a big success and the atmosphere was great. Classes worked really hard to prepare items and food for sale. Student editor: A.M.

## NEWSLETTER

DECEMBER 2025

**Welcome**

We are excited to share with you some of the highlights from the past few months, upcoming events, and important reminders. As always, our goal is to keep you informed, connected, and involved in our school community. Please feel free to reach out if you have feedback or items you'd like us to include in future editions.

**Highlights**

Students across all Teams won Jack Petchey awards and won some funding to spend on their favourite activities and resources for school. One of our staff members also won the award and organised the purchase of a large number of books for the school together with some social skills activities. Congratulations to all and thank you for your amazing contributions! Our students and staff have also been working hard to prepare for the Assessment and Exam season continuing in Spring term. Transition Annual Reviews are all complete and students are awaiting confirmation of future placements.

**Makaton Sign of the Month**

Flat hand, palm down, covers top of the fist

Sign meaning:

**'More'**

**Remember**: always sign and say together.
Go slow and show the gesture

**Usage tip:** You can use this sign whenever the young person asks for any activity, food, or other opportunity when your child wants to express that they would like 'more' of something. You can then slowly transition to supporting them with signing 'more' if appropriate.

**Additional information**
